Spring Semester Registration Extended and Campus Offices Open this Weekend

LIMA, Ohio – Rhodes State College's Admissions, Advising and Financial Aid offices will be open *tomorrow*, Saturday Jan. 11, from 10 am to 2 pm. In addition, the College's Business Office and Bookstore will be open the same hours. The Testing Center will be open Saturday from 11 am to 3 pm.

All those offices also will have extended hours on Monday, January 13^{th,} from 7:30 am to 7 pm; the Testing Center will be open until 8 pm. Spring Semester registration has also been extended. Students may register for classes through Wednesday, January 15th based upon availability.

The extended hours are being provided because the winter storm closed campus and delayed the start of Spring Semester by three days. For questions please call 419-995-8320.
