Succession Planning Seminar Offered at Rhodes State College

LIMA, Ohio – Rhodes State College, the West Central Ohio Manufacturing Consortium and the Manufacturing Extension Partnership of Northwest Ohio are sponsoring a seminar on Succession Planning on Thursday August 15, 2013, from 8-10am.

The session is geared toward family-owned small businesses and chief executives to analyze and plan for their succession strategies. The presenter will target critical questions that support the business owner/leader in critically looking at their next generation of company leadership. The class will be led by Roger Bostdorff, President of B2B Sales Boost. Bostdorff has spent over 30 years with IBM in sales and sales management. B2B Sales Boost is a consulting company helping organizations improve their sales and overall business processes.

There is no charge for the session; however, persons interested in taking the course should contact Doug Durliat at 419-995-8353 or durliat.d@RhodesState.edu
